# WELCOME TO JAZZ ARTISTS ON THE GREENS 2015!

***Come for the lime ... Discover the Music!***

Celebrating our 13th anniversary, a milestone in the entertainment industry, Production One Ltd proudly hosts on Saturday 21st March, 2015 our signature event, **Jazz Artists on the Greens!**

We encourage patrons to come early, stay long, to walk with their picnic blankets and lounging chairs, sit where they're most comfortable, and bask in the ambience of a good Trini lime, accompanied by a powerful mix of contemporary Caribbean jazz styles, delivered by some of the most talented performers to grace our stages, at our festival-styled event.

The audience is in for a delightful treat as this year's line-up includes some of the Caribbean's finest artistes: Bajan saxophone superstar **Arturo Tappin**, Trinidadian smooth jazz guitarist **Clifford Charles**, Songstress **Kay Alleyne** from Tobago, and returning to perform by popular demand, American steelpan jazz fusion artiste, **Jonathan Scales and his Fourchestra**.

Once again, patrons will be delighted to discover a true festival atmosphere. The range of

festival-related concessions and memorabilia will include local jewellery, painters / artists, leather craft and musical instruments, food caterers and a well-stocked bar. Production One Ltd, will operate a merchandise tent featuring music CDs and branded apparel — a genuine Caribbean jazz marketplace.

Well lit, secured parking is available and located within 1 to 2 minutes walking distance from the venue, along with event WiFi, portable Linx Machine and an accessible ATM machine for necessary withdrawals!

As always, we would like to

thank our patrons, both first-timers and returning ones for your continued support. Thank you to the artists for your music, talent and time. Thanks to the volunteers and support staff behind the scenes. Special shout out to Anthony Harford for being the voice of JAOTG all these years.

Thank you to all the ticket outlets for your kindness and effectiveness, and to the staff at WASA for their support.

We look forward to seeing everyone again on **12 March, 2016** for the 14th edition of **Jazz Artists on the Greens**.
